Hi Nichole,

Yes, do you mind doing that because they did mention water well information. They are mostly interested in underground storage tanks and leaking tanks.

Thank you,  
Jatin

Hey Jatin,

While it doesn't sound like they're looking for well information do you want me to try and research the site in SDWIS/Fed to see if there's any PWS elements located near the site?

Hi Everyone,

I received a FOIA request regarding a site (near Hope Municipal Airport – Hope Highway 32 Industrial Park) in Hope, Arkansas, and need a response from you if you have any data or no data regarding the FOIA. The request is below:

Burgess & Niple, Inc. (B&N) is submitting this letter as a FOI request to obtain copies of, or review publicly available files for a property located in Hope, Arkansas, Hempstead County near the Hope Municipal Airport and is known as Hope Highway 32 Industrial Park. There are no specific addresses for these sites. The properties are owned by Hope Water and Light. Our request to obtain or review files related to this property includes any and all documents (internal correspondence, letters, reports, notes, recommendations, and other material) that your office may have concerning the above referenced site. B&N is particularly interested in information related to the use, storage, or disposal of hazardous substances and/or petroleum products; the presence of underground storage tanks (USTs) and leaking underground storage tanks (LUSTS); and issues associated with hazardous waste as well as water well information.
